## ARTESANÍA EN ESTADO PURO

Sofás MC fue fundada por Bartolomé Martínez allá por el año 1973 dedicándose a la restauración de sofás, butacas, sillas y mueble tapizado en un pequeño taller de Lérida.

Fue dos años después cuando Bartolomé Martínez decide fundar su propia empresa en Fraga, Tapizados B. Martínez, ampliando el negocio con la contratación de personal y consolidando su nombre a nivel local.

Con toda una trayectoria dedicada a la tapicería y siguiendo la tradición artesana, llegado el año 2004 nace Tapicerías Martínez Cardona, S.L., dejando a un lado la restauración y aunando todos esfuerzos en la fabricación artesana de sofás a medida bajo la marca Sofás MC.

La investigación de nuevos materiales y detalles, con el diseño y la artesanía como hilo conductor, unidos al mismo puesto en cada proceso de construcción hacen de cada pieza una joya única e inigualable.

Sofás MC was founded by Bartolomé Martínez back in 1973 dedicated to the restoration of sofas, armchairs, chairs and upholstered furniture in a small workshop in Lleida.

It was two years later when Bartolome Martinez decided to found his own company in Fraga: Tapizados B. Martinez, expanding business with recruitment and consolidating its name locally.

With an entire career dedicated to the upholstery and following the artisan tradition, come 2004 born Tapicerías Martinez Cardona, S.L., leaving aside the restoration and bringing together all efforts on the manufacture of quality sofas as low sofas MC brand.

Research of new materials and details, with design and craftsmanship like wire, attached to the same position in each construction process making each piece a unique and incomparable jewel.

Trabajamos para hacer  
de cada producto un ícono.

We work to make  
each product, an icon.

Sabemos la importancia de cada línea que trazamos  
para convertirla en forma.

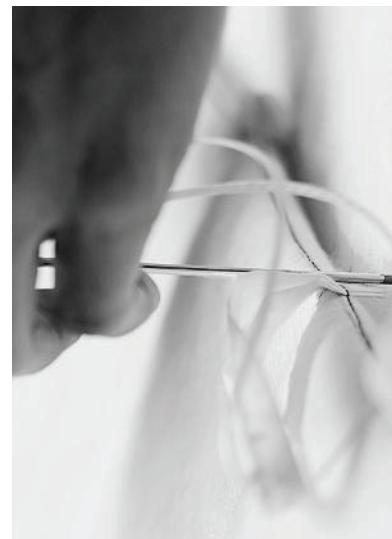

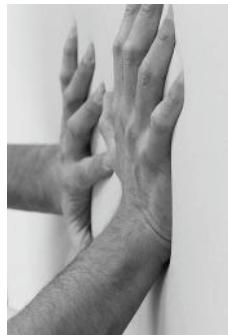

We know the importance of each line we draw  
to be reflected into a shape.

Queremos controlar cada fase  
para preservar nuestra artesanía.

We control every step, in order  
to preserve our craftsmanship.

Nuestras herramientas: sabiduría artesana,  
materiales de calidad, imaginación e intuición.

Our tools: artisan wisdom,  
quality materials, imagination and flair.

Como sastres, imaginamos la forma  
y transformamos el gesto en dibujo.

As tailors, we imagine the shape  
and transform the gesture into design.

Instinto por la elegancia.

Flair for elegance.

La calidad es nuestra pasión.

Quality is our passion.
